DOTD announces closure of I-10 at Sabine River, near Texas State Line

LAKE CHARLES, La. – The Louisiana Department of Transportation and Development announces Interstate 10 at the Sabine River, near the Texas State Line, will close to traffic at 9 a.m. due to flooding.

DOTD will continue to monitor weather conditions and will advise of any changes.

Travelers going through Louisiana should stay on I-20.

Although it is not advisable to travel during inclement weather, the suggested detour routes for I-10 traffic are as follows:

- I-10 Westbound
- I-10 Eastbound
