Situational Awareness Report 17 July 2019 As of 4:00 p.m.

As of 4:00 p.m.

State EOC Activation Level: Level IV (Crisis Activation Team)

WebEOC Incident: 19-019 Tropical Weather – Statewide – July

State Declaration Proclamation Number: 111 JBE 2019

Federal Declaration: EM-3416

Tropical Cyclone Barry has now moved into the Ohio area after dumping up to 14 inches of rain in Louisiana. Heavy rain/flash flooding threat continues across Arkansas. Throughout the weekend, there are no significant weather impacts. Scattered showers and a few thunderstorms are possible every day this week primarily in the afternoon hours. These storms will follow the typical summertime pattern and are not expected to be severe. Parishes are in the process of evaluating and reporting damages.
