As individuals continue the transition to online Zoom meetings, the State’s ESF-17 Team strongly recommends everyone inform the individuals that could schedule Zoom meetings to take following steps to ensure your Zoom meetings are properly secured:

- Require passwords for all Zoom meetings
- Never post Zoom links over public platforms/social media
- Set screensharing to “Host Only”
- Update Zoom all applications (iOS/MacOS/Windows10)
- Use the “Waiting Room” for Zoom meetings open to public participation. A virtual staging area that stops your guests from joining until you’re ready for them. Meeting hosts can customize Waiting Room settings for additional control and personalization.

If you become a victim of a teleconference hijacking or “Zoombombing” please report the event to the State’s Cyber Crimes Unit (CCU) @ Louisiana State Police Fusion Center: 1-800-434-8007 (or by email) as soon as possible.
