NEW ORLEANS, La. - Today, in response to the declared state of emergency caused by tropical storm Isaac, the Louisiana Department of Transportation and Development (DOTD) is suspending toll collections at LA 1 in Leeville and the Crescent City Connection (CCC) US 90B in New Orleans to facilitate evacuation, emergency and protective services. DOTD will notify the traveling public when tolling services resume.

Additionally, DOTD has reached out to contractors working on evacuation routes to ensure no closures or lane restrictions will be in place should evacuation efforts occur.
