BATON ROUGE -- Commissioner of Administration Paul Rainwater announced that Louisiana state government offices will reopen Monday, September 10, in St. John the Baptist and Plaquemines parishes.<br />

State offices in all other parishes have reopened. However, department heads should exercise discretion if they have a particular circumstance, such as a building without power, that necessitates employees not reporting to work within a parish that has reopened.<br />

This message will be emailed to state employees. In addition, state government employees should be aware of the following phone numbers to call, which will be updated with information regarding office closures and re-openings: <span id="OBJ_PREFIX_DWT215">1-800-360-9660</span> or <span id="OBJ_PREFIX_DWT216">225-342-0498</span>.<br />
